

OFFICE OF THE MAYOR
THE CITY OF REGINA

MESSAGE FROM THE MAYOR:

On behalf of City Council and the citizens of Regina, I extend a warm hello to the Citizens of Fujioka, Japan. Our city is delighted to have signed a Friendship Agreement with your City.

As we work together to share economic opportunities and to continue with the Student Exchange Program, I'd like to offer some information on Regina, Saskatchewan's Capital city.

Regina's welcoming spirit invites visitors to discover our charming secrets. We have many attractions such as the Casino Regina, RCMP Heritage Centre, Saskatchewan Science Centre, Kramer IMAX Theatre, Royal Saskatchewan Museum and the Saskatchewan Sports Hall of Fame and Museum to say a few. Regina also built a new stadium which hosts our Saskatchewan Roughriders football team as well as many concerts. This winter we have transformed our football field into Canada's largest ice arena for families to come out and skate as an activity during the pandemic. We have our beautiful Wascana park, located in the middle of our city, which offers walking trails, water sports and picnic areas. There are also many unique shops and fine restaurants, where you are sure to discover the warm, friendly spirit of our city. I have no doubt you will see why "I Love Regina."

Regina is home to Provincial Crown Corporations such as Sask Power and Sask Tel. It is also home to Evraz Steel (Western Canada's largest steel company), Co-op Heavy Oil Upgrader, Kalium Chemicals (potash mining), Brandt Industries (industrial and farm equipment manufacturing), Degelman Industries (agricultural chemicals) and Viterra (grain handling) to list a few.

Being elected the first female Mayor in Regina in November 2021 I have many goals I'd like to achieve during my four year term. I would like to improve community wellness, economic development to enhance job opportunities, strengthen relationships between the Provincial and Federal Government and the University of Regina.

I would welcome you from Fujioka to Regina, to both visit and explore our cultural and economic offerings. I look forward to continuing our partnership and am grateful for the collaborative partnership between our Cities that we will continue to foster.

Sincerely,
